

Covid-19

As you know, the number of positive cases of covid-19 have increased significantly and this has had a huge impact on children and staff in school. It is really important that we all continue to follow Public Health and government guidelines. Please remember, if you or your child display any of the NHS official symptoms, they must have a PCR test at a test centre.

School meal vouchers

These vouchers will continue for those eligible during the summer holiday. They will be sent via the same method as previously (to mobile phones or email addresses).

If you have any questions about this, you must contact Joanne at the office before next Friday—she will not be available during the summer holiday.

Reports

We have had to delay when reports go to parents and carers due to the number of staff we currently have isolating.

Reports will therefore be coming home with children on Tuesday 20th July.

Sorry that they are later than expected!

Friday 23rd July

For children who are in school, this will be a much needed 'fun day'. There will be lots of activities available in school and as always, anything that is brought to school, we can not take responsibility for. Year 6 will have their 'fun day' on Thursday 22nd July.

Key dates:

- ◆ **Sports Day**—Please see timetable on Class Dojo
- ◆ **Reports to parents and carers**—Tuesday 20th July
- ◆ **Parent and carer evening**—Wednesday 21st July
- ◆ **Last day of term**—Friday 23rd July
- ◆ **First day back at school**—Tuesday 7th September
- ◆ **Training days for next year (School will be closed to children on these dates):** Monday 6th September, Friday 26th November, Tuesday 4th January.
- ◆ **Jubilee Day**—school will also be closed to all on Friday 8th April.

Transition

Due to the increase in number of Coronavirus cases and a number of staff members continuing to isolate we are unfortunately not going to be able to have transition days where children move to their new classes. Arrangements for Year 6 will continue with Friday being a remote learning day. We are working on what transition could look like in September instead and will keep you informed.
