

# Tyneview

Friday 1st October 2021

Another brilliant week, this week. There has been lots going on at school including a fantastic visit to Whitehouse Farm for Year 3. Next week, lots of year groups will be taking part in a Science workshop from some exciting scientists too.

Attendance this week is 94.2% for YR to Year 6.

Dan Morrison is available to speak to if you have any concerns around attendance or would like some support.

## Covid update

We are trying hard to ensure that we follow Covid Outbreak Management guidance but that we also maximise pupil experiences at school.

From Monday 4th October, the school gates and classroom doors will open at 8.45 and lessons will begin for all year groups at 8.55am. All classes will now finish at 3.15pm so there will no longer be a staggered finish time.

Reception will still enter and leave school by the pre-school gates.

We are continuing measures in school to keep everyone safe. This includes extra cleaning of toilets and playground equipment as well as staggered playtimes and lunchtimes. Please remember to be vigilant and if you have a concern about Covid, please ask.

We know that lots of you will be planning the rest of the year, we will not be having a whole-school disco for Halloween as we usually do but there will be something class based towards the end of term, we will send you further details in the next few weeks.

## School uniform

We know that there has been a huge delay in getting some uniform this year from Tots to Teens. This is starting to be delivered now so all orders should be fulfilled soon.
