

Please remember to speak to your child's class teacher or Dan Morrison if you need any support around this.

Covid-19

We continue to follow guidance provided by Public Health England and Newcastle Council. There have been some positive cases in school which have particularly impacted on staffing.

We are trying our best to staff school by carefully considering children's needs to keep everyone safe and this may mean that your child/ children have had a different adult during the week.

Please continue to follow Government Guidance which is all available online. One key point is:

- If a member of your household tests positive, advice is that all household members get a PCR test. If results are negative the advice is that you no longer need to isolate, anyone over 5 years is advised to continue to take a daily lateral flow test.

The website with further information will be shared on the Dojo post.

Community links

We want to develop our community links locally. If your child attends any out of school clubs or you know of any Community projects that might be interested in linking up with school, please let Miss Sergison know.

Parent Governor

We are really pleased that another parent has volunteered to take up the role of parent governor. We need to send out information packs once more to make sure that anyone interested has the opportunity to apply and then hopefully we can have another parent governor to work alongside Nicola Mole real soon. Information will be sent out to all parents and carers in the next few weeks.
