

Tyneview

What a busy week it has been! As well as having fun in lessons, lots of children completed a workshop with an incredible scientist. Year 4 had a very fun but very wet visit to Segedunum and Key Stage 2 had their first assemblies today. Everyone will need a rest at the weekend!

Attendance this week is 95.4% for Y1 to Y6.

ATTENDANCE

Dan Morrison is available to speak to if you have any concerns around attendance or would like some support.

Challenge

We are working hard to embed incredible words across school and your child has been set a challenge today. Each class has a 'Word of the week' and these will be posted on the newsletter as well as on Class Dojo and Social Media (if children have consent). The challenge is for children to try and use the word at home over the next week and share a photo of them doing this. Each child who takes part will get a Dojo point and there will be one special prize across the whole school for the most creative idea.

Here are this week's words:

- Year 6—perishing
- Year 5—pauper
- Year 4—ecstatic
- Year 3—abundance
- Year 2—pungent
- Year 1—scrumptious
- Reception—doubloon
- Nursery—porthole
- Pre-school—thank you

School trips—Natasha's Law

You may be aware that Natasha's law came into effect this week, meaning all food now has to be labelled in a certain way. Due to this, when your child is going on a visit and requires a school packed lunch, you will be sent a form with the choices which must be returned to school two weeks before the visit to make sure the correct amount of lunches are ordered.

Planners:

We finally have planners for children in Year 1—6 (there was a delivery issue). Please ensure that you have read the consent forms on your child's class Dojo page so that they can have a planner sent out. Children are expected to read three times per week and this should be written in the planners.
