Let's get physical

The children have had a busy few weeks at school and are working so hard. We know you will be starting to think about children moving to their new classes and schools next year, we are starting to plan this out and will let you know when we have more details.

Catch-up offer

Over the past few weeks, we have been working hard to understand which support your children need as a result of school disruption due to Covid-19. There will be extra support in school for some children, an online offer and some targeted afterschool work.

Information about your child will follow next week.

If your child was staying for some extra work during the week after school, which time would you prefer, 3.00-3.30 or 3.15-3.45?

Please comment on this post to let us know your views.

Counsellor for adults

You may already have seen the information about the counsellor service available for parents and carers on Facebook and Class Dojo. Please contact Dan Morrison or Miss Sergison if you would like some more information or to sign up.

NEAT Active challenge

Well done to everyone who has already started the challenge. There is still time to sign up; have a look on our Facebook page or Dojo!

Attendance

If your child is absent from school, please remember to contact school to let us know. Dan Morrison is available to speak to if you have any concerns around this or would like some support. Please contact the school office.
