Summer break

We want to say a huge 'thank you' to every single person involved in the Tyneview School community. It has been another challenging year which has been made much more manageable by the hard work of all of the children, and the support from parents, carers and the local community. Have an amazing summer and we are looking forward to new and exciting things in the new year.

There will be posts shared on Class Dojo and Facebook with some activities which are available in the local area over the holidays.

School meal vouchers

These vouchers will continue for those eligible during the summer holiday. They will be sent via the same method as previously (to mobile phones or email addresses).

Year 6

It was Year 6's last day at school on Thursday. It has been an absolute pleasure to have such an amazing Year 6 group at school, they have all worked so hard even though the year has been so unusual. We will all miss you. Good luck at your new school and let us know how you are getting on.

Tom Cowen Award

A special 'Well Done' to Cameron and Maddie who are the first winners of the Tom Cowen Award. They were presented with individual trophies today and their names will be on the large trophy in school which will be added to every year. Tom is an incredible man who provided amazing support to Tyneview as Vice Chair of Governors and continues to support school when he is able to, he is a superb role model in the Walker Community. The award will continue to be given out annually.
